Attention Seniors

Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (also known as the MMA), was signed into law on December 8, 2003. Many people are confused about the new prescription drug program. Since each person has specific, individual questions regarding the program, you may call HICAP for individual assistance/information regarding Medicare pharmacy benefits. The number is 800-434-0222 or 909-697-6560. Services are free and Spanish is available. Be patient! You will get an answer!

Food for The Poor: The food pantry needs your help. We are very low on canned tuna, vegetables, soups, and fruit. We can always use rice and beans (dried), cereal and any packaged meals or dried milk. Thank you once again for your generous contributions.

Please continue to keep vocations in your daily prayers and also two young men in our parish who are considering the priesthood:

God, our Father, we ask you to hear our prayers for your Church. Through your grace, we seek men and women willing to offer their lives to you in the priesthood, diaconate, and religious life. Guide those discerning your call to holiness and service. Give them courage, steadfast love, and a spirit of charity. We ask this in Jesus' name. Amen.
