Letters Needed in Support of a Catholic High School in the High Desert Vicariate!

A handful of parents, a high school building committee and myself have been working on this project for several years now. I am now pleading for the assistance of the rest of you. I have already met with the committees of the Diocese and I was told that there must be considerable interest from the community and the parishes of the Vicariate in order for Bishop Barnes to give his blessing. I have in my possession the original surveys "of need" sent out to all the parishes and the school families at the beginning of last year, but it is not enough. I need you to write a letter of support for the establishment of a Catholic High School on this campus, so that we can move forward. Bennett Lord, the architect, is working on the plans which include the placement of the temporary classrooms (portable building), as well as the construction of the permanent two story buildings, which include science labs, technology center, and art and music rooms. I have asked him to provide me with a portfolio that I can share with you. It is time to really get this done! The high school needs to be up and running by September 2007. Your support is tremendously needed. Thank you!

Mrs. Debra Wecker, Principal

**Olivewood Hand Carving
Directly from Bethlehem**

I am a Christian from Bethlehem. My family and I moved to live in the United States because of the unstable situation. However, there are many jobless families who still live there. Over 600 of these Christian families depend on the tourism business to sell the Olive woodcarvings. We are here to help these families as much as possible. All the profit will be sent to those families to help them survive and feel their kids during these hard times. We desperately need your help. Thank you for your support.

Come see this exciting display of religious handcraft on November 18th and 19th after every mass.

ENTREGA TOTAL

Las viudas confiadas juegan un importante papel en las lecturas de esta semana. Aunque eran pobres y el dar aún algo bien pequeño podría poner en peligro su salud y bienestar, confiaban en Dios y daban lo que podían. Lo que es importante sobre sus donativos no es la cantidad que daban, sino que daban algo. Sin egoísmo, daban para ayudar a otros. Su dar salía del corazón, con poca esperanza o intención de recibir algún premio o reconocimiento por su generosidad. El valor monetario de los dones de las viudas eran pequeños, pero su valor en la medida del Reino era inestimable.

Hay una gran semejanza entre su regalo y el regalo que Jesús ha dado a cada uno de nosotros. Las viudas ofrecieron sus vidas a Dios. Jesús ofreció su vida por nosotros.
