GETTING THROUGH THE TOUGH TIMES

“It’s going to get worse before it gets better” is a phrase that prepares us to buckle up for a rough ride. We know that enduring a difficult time will require some strenuous physical or emotional energy on our part before we experience the calm of normality. Our past experience tells us that we can endure the difficult pressure better when we know how long it will last and if we know that something better awaits us. Getting through the tough times while holding to the promise that awaits us is the message of this weekend’s readings. They point toward the promises of God’s kingdom that will come after the maelstroms and chaos of this world. © Copyright, J. S. Paluch Co.

Letters Needed in Support of a Catholic High School in the High Desert Vicariate!

A handful of parents, a high school building committee and myself have been working on this project for several years now. I am now pleading for the assistance of the rest of you. I have already met with the committees of the Diocese and I was told that there must be considerable interest from the community and the parishes of the Vicariate in order for Bishop Barnes to give his blessing. I have in my possession the original surveys "of need" sent out to all the parishes and the school families at the beginning of last year, but it is not enough. **I need you to write a letter of support for the establishment of a Catholic High School on this campus, so that we can move forward.** Bennett Lord, the architect, is working on the plans which include the placement of the temporary classrooms (portable building), as well as the construction of the permanent two story buildings, which include science labs, technology center, and art and music rooms. I have asked him to provide me with a portfolio that I can share with you. It is time to really get this done! The high school needs to be up and running by September 2007. Your support is tremendously needed. Thank you!

Vocation Views: Please continue to keep vocations in your daily prayers. *Lord, the work of the Church calls for us to continue Your ministry. Let us be among the poor, sick, and the abandoned. Bless those who come forward to spend their life in generous, full-time service in the Church. May many answer the call to the life of a priest, deacon, brother, or sister serving of love and carrying on your work. Amen.*

PARA SOBREVIVIR LOS TIEMPOS DIFÍCILES

“Las cosas van a empeorar antes de que se mejoren” es una frase que nos prepara para un camino difícil. Sabemos que al atravesar por tiempos difíciles necesitamos tener suficiente energía física o emocional antes de poder vivir la calma de la normalidad. Nuestra experiencia pasada nos dice que podemos sobrevivir mejor las presiones cuando sabemos qué tiempo van a durar y si sabemos que nos espera algo mejor. Cómo atravesar los tiempos difíciles y al mismo tiempo creer en la promesa que nos espera es el mensaje de las lecturas de este fin de semana. Nos guían hacia las promesas del Reino de Dios que vendrá después de los males y el caos de este mundo.
